

cool capital challenge

Cool Energy Training

For Property Managers and Building Engineers

September 20, 2007

12:00 – 4:00pm

900 7th Street NW, ML Level
Downtown Washington, DC

Agenda

- **Lunch and Networking** (Noon - 12:30 PM)
- **Welcome from Downtown BID and Akridge**
 - **Cool Capital Challenge Overview**
 - **Green Perspectives from the Property Management World**
Representatives from local firms at the forefront of greening property operations will lead a step-by-step discussion of specific energy- and money-saving tactics you could employ in your operations.
 - **Take the Cool Capital Challenge!**
- **Resources and Strategies for Property Managers and Building Engineers**
An overview of ENERGY STAR resources and a practical guide to best practices in operations, maintenance, and tenant communications for high performance buildings

This event is being graciously hosted by

Akridge

Please RSVP by Noon Wednesday, Sept. 19th to
Jeff Tiell: jeffrey@downtowndc.org or 202.638.8361

Reporters may be on the premises for media purposes, but will not engage the audience for interviews unless prior consent is given
